Web Developer

About Me

I have done my M.Sc from Federal Urdu University, and I have also completed my M.B.A from a well-reputed university.

I am constantly expanding my knowledge and skill set, eager to stay up-to-date with the latest technologies and trends in the industry.

Whether I'm developing responsive websites or diving into innovative AI solutions, I strive to create meaningful and impactful digital experiences.

Currently, I'm looking for opportunities in a reputable software house where I can further hone my skills and contribute to exciting projects.

Feel free to explore my work and get in touch!
